PREFACE

Throughout the nation's high schools the truth of the war is being learned. Students everywhere are realizing that only in a democracy can they acquire a true education—education for life—not death. American high school youth appreciates our armed forces, who fight and die that America may not become a pleasant memory. This vanguard of freedom, happiness and real living is on a victorious march all over the world. The CHAIN staff thinks the United States Armed Forces a most appropriate theme for this, the twenty-fifth link of the CHAIN. ARMY, NAVY, AIR CORPS, AND MARINES, we proudly salute you!

CORPORAL FOSTER BAGWELL GRESHAM
Technician Fifth Grade

DEDICATED

TO Corporal Foster Bagwell Gresham of the United States Army, better known as "Colonel", the Senior Class of 1943 wishes to express its gratitude for the service he rendered while here at Lane and for the service he is rendering his country now.

LANE AT WAR

America's youth today recognizes the responsibility and challenge which is facing them in the critical period of their nation's existence. The pupils of Lane High School have entered whole-heartedly into the victory program. Lane has joined with thousands of schools all over the country in entering the "Schools at War program, outlined and sponsored by the Treasury Department of the National Government, and with the Victory Corps Movement, whose national leader is Captain Eddie Rickenbacker.

Like all the patriotic institutions, Lane High has modified its curriculum to meet the needs of a community desirous of making the best possible contribution to the war effort. During the state-wide scrap drive, over four hundred students participated in collecting over three hundred thousand pounds. Their efforts were rewarded by receiving second place honor from the state.

Competition bond drives have been held in the school during the year. In the first drive, the students worked successfully to collect over twenty thousand dollars worth of bonds and stamps. Accommodating the sale, the Lane High School Band gave a concert for which the admission was saving stamps bought at the school. To stimulate interest in the second war loan drive, in which over sixty-two thousand dollars worth were sold, the senior class sponsored a bond ball. Classes and organizations in the school nominated candidates for the queen whom the Mayor crowned at the ball.

The Victory Corps, which has over two hundred members, is an organization to train youth for that war service which will come after they leave school, and to provide active participation of youth in the community's war effort while they are still in school. To meet the requirements for membership in the corps, new courses have been started which include emphasis on a program of physical fitness combined with military drill for boys and girls. New vocational courses have been offered to students who wish to participate in the victory program. These courses are pre-flight physics and mathematics, pre-flight aeronautics, and automobile mechanics.

The call for boys and girls to help in the civilian defense corps was answered by many Lane students. There are seventy-three spotters, ninety air-raid messengers, and nine air-raid wardens.

The Junior Red Cross held a campaign which over two hundred Laneites supported by their contributions. Under sponsorship of the National Red Cross and the homemaking department of Lane, girls knitted, made surgical dressings, utility bags, wash cloths, and aided in the collecting of coat-hangers.

Every soldier declares that nothing means so much as to be remembered by the folks back home. Lane students brought cheer to former Lane students now in service overseas by sending them gift boxes at Christmas. Over two hundred dollars were spent on a total of sixty-three boxes. These boxes were sent to service men in Alaska, Panama, Newfoundland, England, Iceland, Porto Rico, Hawaiian Islands, India, Australia, New Zealand, Solomon Islands, and South America.

With the inevitable goal of victory ahead of us, Lane students and teachers are working together to bring that goal closer.

MAJOR GENERAL ARCHER VANDEGRIFT

Lane's Most Distinguished Former Student

MAJOR GENERAL ARCHER VANDEGRIFT, Commander of the Marines in the Solomon Islands for which he was awarded the Congressional Medal of Honor, attended Midway School for the year 1906-1907.

He was appointed to the Marine Reserves after he had been a member of the University of Virginia Engineering School in 1908.

A quiet, even-tempered man who according to *Time* "led the Marines in the toughest job they ever did" is Major General Archer Vandegrift. Lane can be justly proud of its former student.

Lane's Alumni Serving Our Country

FOREWORD

This list has been compiled from varied sources. The local draft board has been most cooperative, the *Daily Progress* was a constant source, and word-of-mouth reports have been accepted. It is possible that some whose names appear hereon were not accepted for military service, although every effort has been made to have it as accurate as may be. We have tried to include all former pupils of Lane, regardless of the length of time they attended. To those whose names we have missed, our sincere apologies.

The list was closed as of April 30, 1943. Names of those not in uniform were not included, even though they had been accepted and were awaiting call, except that those discharged were retained.

This year has been a very successful one for the Girls' Hi-Y under the leadership of our president, Shirley Loving and our sponsors, Miss Lillian Butt and Mrs. Julia Alderman.

In September a tea was given for the new girls at Lane so that they could become better acquainted with one another.

Dolls were dressed at Christmas for the less fortunate children in our community. A contribution was also made to the Santa Claus Club. Together with the other Hi-Y's a Christmas play was presented.

In the earlier part of the year the club had a rummage sale to supply money for our activities.

Many of the members have contributed their time to do Red Cross work.

Throughout the year various churches were attended in a body.

The Hi-Y Club is the only world-wide organization in Lane High School. In wartime the Hi-Y especially stands out as a symbol of friendship among the youth of many nations.

This year the Senior Boys' Hi-Y helped the Red Cross to collect books to be distributed among the soldiers. The Hi-Y also gave Christmas baskets to Charlottesville's needy.

Several professional men spoke on their life work at the meetings of the club. The speeches were interesting and helpful. With the other Hi-Y groups, the club attended various churches once a month.

The club gave a Christmas assembly with the Choir. Two dances were sponsored, the best of which was the annual Best Girl Banquet and Dance in the spring.

This year the Junior Girls' Hi-Y has sponsored several effective social gatherings, one of which was a Christmas party for a small girl with almost no financial support. The girls completely clothed and dressed her, gave her toys, games, and half of the refreshments from the party. In the fall a tea was given for all new girls at Lane. The Senior club had charge of making the refreshments and the Junior club served.

As usual the Hi-Y took part in the annual Christmas assembly. Also at Christmas the girls dressed dolls for the Mothers' Club.

Another project of the Hi-Y has been to start a general religious movement in the school by the use of Sentence Prayers at their meetings. The club has tried to promote attendance at church through the practice of going there in a body.

The Junior Boys' Hi-Y has most of its activities with the Senior Boys Hi-Y. Together these two organizations collected and distributed Christmas baskets and attended different churches throughout the year.

Frequently they met together and listened to talks given by prominent business men of this city.

In December the Junior Club gave a party for its members and their dates.

The Junior Boys' Hi-Y was founded to prepare boys for membership in the Senior club.

The purpose of the Hi-Y is "to create, maintain, and extend throughout the school and community high standards of Christian character".

The Spelling Club this year has been very active. First a test was administered to all those desiring to join the club—about eighty—and those with a score of 90 or better were admitted. A contest between the two teams in the club was held every meeting and a running score was kept.

The club sponsored a Thanksgiving dance which was very well attended, and throughout the year there have been several contests between various teams. Teachers and pupils participated in a Spelling Bee at McGuffey School and showed up very well.

The club decided to disband for the duration of the war as it feels that there are many more worth-while things that can be done with the time to further the war effort.

The members of The Latin Club believe that an acquaintance with the Classics is important in laying a foundation for a well-rounded background.

Ten new members were initiated in the Fall. These were required to come to school dressed as various gods and goddesses.

The theme of the October meeting was Vergil. One member gave an account of his life, and another read a parody on the Æneid.

At the Christmas meeting the program was mimeographed in the form of a newspaper, including remarks on the Saturnalia, a Latin cross word puzzle, and Christmas carols in Latin.

The Lane High School Debate Club is completing its second year of forensic work. Although due to transportation difficulties, the opportunities for inter-school debates have been very limited, the members of the club have worked hard throughout the year on the pros and cons of the national debate question:

RESOLVED: That a Federal World Government should be established.

Interesting meetings combining informal and formal discussion with a social period have been held monthly during the school year. The club numbers twelve active members with Mrs. Lucile E. Michie, as sponsor.

The Lucy T. Jones Writing Club was organized to promote creative writing at Lane High School and to develop such ability in students. At the club meetings, the members read original stories, poems, and essays or listen to discussions on different types of literature led by various faculty members of the English department.

The staff of the *Bumblebee*, the school literary magazine, is chosen largely from the membership of the Writing Club. In addition to editing the *Bumblebee*, the members of the club have contributed about seventy per cent to the content of the magazine. Since this magazine has won first place in the state for two years in succession, the Club is justly proud of its accomplishments so far, and hopes to continue to increase interest in creative writing at Lane.

You are very lucky to have an annual this year, for there were many difficulties before the final printing. This year's staff couldn't stop the rain that lasted the first two months of school, stopping all photographing . . . the photographer spraining his ankle . . . materials being unavailable due to war priorities. You see, the government doesn't consider our annual a necessity to the war, but it certainly boosts our morale.

The staff was made up of a few people who worked, and the rest just sat and had a lot of fun deciding "which picture was best" and picking out snaps. Don't be fooled though. There was some work accomplished, and here is the 1943 CHAIN to prove it!

The Players Club, the only dramatic organization at Lane, endeavors to promote dramatics in the school.

With the aid of Miss Virginia Bolen and Mr. Al Johnson, a new teacher at Lane who has had previous experience with the Virginia Players at the University, the Club has sponsored an assembly and short skits and has had several excellent speakers at the meetings.

"The Things That Count" was the production chosen for the annual three-act play and was presented to the public December 10 and 11.

The club this year has tried to prepare the younger members so that they will be able to carry on next year and develop an even better club.

Lanetime is a newspaper published approximately every three weeks by a staff selected from the class of journalism, which is open to all Lane students. Throughout the eleven issues this year it has, as is its custom, attempted to be truly representative of the student body and to stand firmly for those principles which it considers right. In the hands of a staff with much training and long experience, it has ventured forth in new fields of make-up and of writing. And above all, it has done everything in its power to contribute to the war effort.

The purpose of the Dancing Class is to promote poise, grace and good manners in the high school and at dances.

On Tuesday the Dancing Class conducts a meeting of eighth and ninth grades for the purpose of teaching the younger groups in school to dance.

On Thursday the second and third year pupils are gathered for the same purpose.

Next year the Dancing Classes hope to have a larger attendance record with more social tea dances.

After three years of hard work and enthusiastic participation, the Choir has become a regular part of Lane life. The loss of many first rate singers has slowed the progress of the Choir this year, but it is at last "swinging along."

Lane lost a very popular choir leader when Mrs. Catherine Martin left to teach at St. Anne's, but her place has been ably filled by Mrs. C. J. M. Blume, who, in a very short time, has gained the respect and admiration of every choir member.

"The Chimes of Normandy," an operetta by Robert Planquette, was given by the musical folk at Lane this year, and all of the choral work was done by the Choir. This proved to be one of the most popular operettas ever given at Lane, due to the splendid cooperation the Choir was given by the student body.

BAND

In 1940, the Lane High Band was organized. Since that time it has become one of the leading organizations of the school, both the concert and marching bands participating in many of the school's activities. In November, the concert band gave a Bond and Stamp Concert, charging a defense stamp for admission. The concert band has also played for assemblies, Parent-Teachers Association and Red Cross meetings. The band has also furnished an interest in music for the students here at Lane and for two years has taken part in the music festival, receiving superior rating each time.

"One ounce of participation in making music is worth a pound of attention in listening to music."

The “C” Club is the one organization made up exclusively of those boys who have earned their varsity letter in football, basketball, or boxing; the sole purpose of the club being the promotion of sports.

Contributing extensively to the pleasure of Lane’s student body, the “C” Club has sponsored several of the most successful dances of the year.

Preston Mays and Pete Lang, vice-president and treasurer elect, are now serving in the Army.

The Student Council, under the sponsorship of H. H. Walker and with the leadership of Cecil Barnett and Al Peterson, has been very successful in the past year.

The main activities of the Council are to convey, by representation of each homeroom, to the pupils of Lane the problems of our school and how we can meet them. Through this system of government, the Council can work most effectively.

The Ushers Club, which is under the leadership of the Council, is the law enforcing body of this school. The Student Council elects the ushers.

One of the most important committees of the Council is the Honor Committee which tries all cases of law-breakers at Lane and inflicts proper punishment.

Thus Lane’s Student Council is striving to have a democratic governing of the school by the students and for the students.

The Ushers Club was formed by the Student Council many years ago to help the school life run more smoothly. This year has been no exception. The fine work the ushers have shown in the past years was continued this year. Under the leadership of Cecil Barnett and the sponsorship of Mr. Walker, the Ushers Club has been one of the most active and successful clubs in the school.

Besides maintaining order in school, they have ushered at all the community concerts and other social events that have taken place in Lane High School.

SOUTH ATLANTIC PREP CHAMPIONS

WOOD, COINER, EIDELMAN, BARNETT

The South Atlantic Prep Tournament, sponsored by Miller School, was held at the New Armory on February 6 and 7. Lane High School relinquished the Championship Cup to Augusta Military Academy, but Lane stayed in the lead, winning second place in the tournament and also having four champions, the largest number from any one school.

Other schools participating were Charlotte Hall, Miller School, Charleston High School, and McIntire High School.

REMINISCING

After years of waiting and wistful thinking, the dream of a lifetime comes true . . . Seniors at last! Does it seem possible that we were once timid, frightened Freshmen? But this, our Senior year, has been the most priceless of all and has meant so very much to us. The selection of Senior rings, the dances, the most successful Senior play, the hurrying and scurrying to get the Annual out on time, and the memorable Victory Ball under the sponsorship of our class—these things will always remain in our memory.

For our last year in high school, a happy but short one, we selected as our class officers Alfred Peterson, President; Ralph Holland, Vice-President; Barbara Gerhart, Secretary; Philip Peterson, Treasurer. They were very efficient along with the invaluable aid of our sponsors, Miss Horwitz and Mr. Johnson.

As June approached, what a huge amount of worrying about examinations we did before the climax—the Senior banquet, the Senior dances, the Senior picnic, and graduation!
